

Volunteer Call Out

All's Well 

Do you love
St David's
as much as we do?

If you do,
then we'd love
to hear from you!

All's Well is offering fantastic volunteer opportunities for people to get involved in the St David's neighbourhood.

Become a guide for the brand new St David's walking trail and help people discover the history of the area and the stories of the people who lived here.

Or join us as a welcome host at the Exeter Community Centre, or at St Nicholas Priory, with the chance to work with the Devon & Exeter Medical Heritage Trust collection.

**Don't delay,
get in touch today!**

If you're interested, want more information, or would like a form to register please call All's Well on **01392 420549** or email pippa.marriott@eccentre.org or find us on social media.
